Last Will and Testament of Vincent Vaughn Sr.

I, Vincent Vaughn of Overton County, Tennessee, do hereby make and publish this my last Will and Testament. I hereby revoke all former Wills made by for this date.

First. I direct my funeral expenses and all other debts I may justly owe be paid out of money I may die possessed of or out of the first that came to the hands of my Executor.

Second. My Executor shall deliver to my beloved wife, Belinda, all the live stock, the kitchen as here at my death. She is also to have and to have all notes made payable to her. She is to have the right to use and occupy my home place where we now live and have the rents and profits thereof or so much of said farm as should be sufficient to support her during her widowhood if she desires to live and occupy said farm. In case she does not desire to occupy and use said farm then my Executor is directed to take charge of said farm and rent same and turn over to her sufficient of the rents and proceeds of said home place to support her during life. The rents and profits should not many then all right and title and to my land shall cease. If the said two sons are entitled to do as can get together upon a division of said land, or upon a sale and division of the proceeds, then it is my will that this be done, she is to have all the household goods.

Third. I direct that my children, or their offspring who represent the deceased portion of any, shall share equally in my entire estate. I have advanced to each of my children various amounts, and as such advancements have been taken receipts, these receipts and all notes and accounts which I may hold against any of my children are to be counted as a part of the amount they shall receive from my estate.

To my daughter Sarah Robbins I have advanced Two hundred and forty dollars ($240.00) Twelve Sheep and I direct that this ($240.00) be counted a part of her share. I direct that the fifty dollars ($50.00) I gave to my daughter Nancy Redbetter some years ago be not charged against her in the division of my estate. This was a gift and not an advancement.

If the death or remarriage of my wife my Executor is authorized and empowered and directed to sell at private or public Sale, as to him may seem best all my real estate on such terms as to him may seem most advantageous to my children.

In case my wife should die before I do the land shall be sold as soon as practicable after my death. On making said Sale he has full power to divide the land into lots or tracts and sell separately or together.

Fourth. I nominate and appoint as Executor of this my Will, my son, Alvin V. Vaughn.
